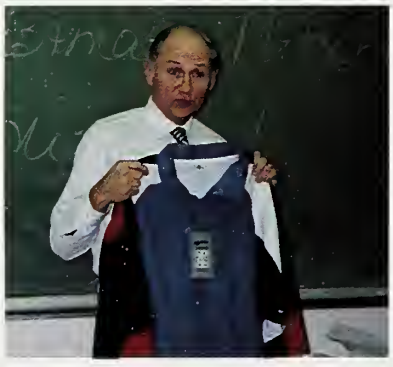
JOHN D. HOBART RETIRES!

John Hobart retired at the end of 1990 following 21 years of dedicated service to the students of JCC as Dean of Student Affairs. While he will be missed, the staff of RETROSPECT '91 wishes him a wonderful retirement. He was presented many mementoes of affection from his many friends.

BEST WISHES IN YOUR GOLDEN YEARS!



Mr. Hobart was treated to a series of 'retirement' partys and a gala reception in the lobby of the Arts and Learning Center. Family members and old friends made it a special occasion.

IT'S BEEN REAL!

Dr. Tart and Dr. Phillips check out a vehicle parked behind the automotive shop which looks like it has seen 'better days.' Is the door really secured with a piece of twine? Mr. Hobart seems amused by all the attention. Letters from friends will warm retirement days.

IT'S BEEN FUN!

Co-workers smile even though they are sad inside, but happy that Mr. Hobart will have plenty of leisure from now on (unless Frankie decides otherwise). Members of the Student Government Association paid their own 'special' respects upon Mr. Hobart's retirement.

THIS IS YOUR LIFE, JCC!

Lines may be a little long here during Fall registration 1990, but actually, everyone has a pretty good time showing off those summer tans and checking each other out.

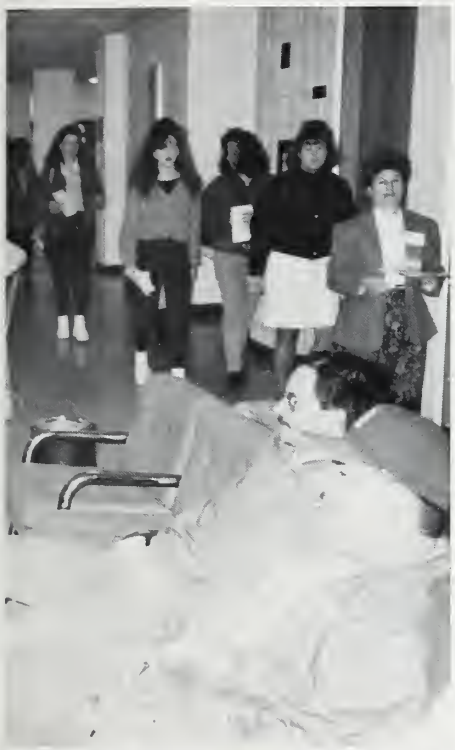
Is Tina more interested in her computer program or her purse?

Annette Etheridge, Ms. JCC — 1990, prepares to appear in the Princeton Christmas Parade in a Deacon-Jones convertible.

SGA members get some timely advice from young Mr. Galog!

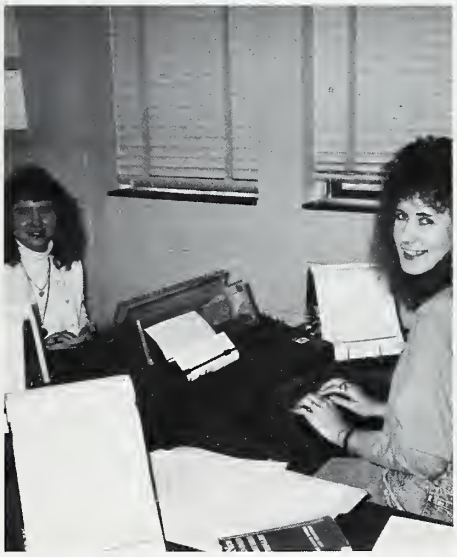
Judy S. Lee tears off another receipt from her Okidata Printer as the registration line winds around the student lounge.

THIS IS THE LIFE!



Lounge lizards enjoy the scenery as area high school students visit JCC.

Kim (left) and Debbie enjoy huntin' and peckin'!



JCC Trustees captain the ship!

"You Paralegal students must learn to do research!" says teacher Joy Temple.

A group of JCC Ambassadors meet in the Board Room.

PRACTICE MADE PERFECT!

Pageant director John Galog did not eat or sleep (well he did eat) for the two weeks preceding. Above he is busy at the console during one of many rehearsals. Annette Etheridge was a great Ms. JCC — 1990. Is this the way to come out of the curtain?

A SALUTE TO THE TROOPS

The troops would have been happy to see the Ms. JCC — 1991 contestants lined up in their patriotic attire! A great part of the pageant entertainment was a performance of "The JCC Rap." Although they were competing, the girls became very close friends during the pageant.

WE REMEMBERED THE TROOPS

PROUD TO BE AMERICAN

PHI KAPPA PI MEANS BUSINESS

Melody Gates and Martha Raynor worked hard to prepare for an oral presentation of their "Partnership With Business Project" during the State Phi Beta Lambda competition at Charlotte. PKP's project took 5th place State-wide!

Phi Kappa Pi is JCC's chapter of the national business fraternity Phi Beta Lambda. The group is made up of students preparing for careers in the business world. During the past several years, PKP has won many State and National awards. PKP is a hard-working organization. As seen in their annual carwash photos, the teacher-advisors work as hard as the students!

JCC SWINGERS OF 1991

JCC fielded a golf team this year! Pictured above are (left to right): Chris Strickland, Brian Bales, Kurt Stone, Anthony Davis, Bobby Phillips (coach), Chuck Hopkins, John Hatch (coach), Rodney Peterson and Eldon Strickland (coach). The team participated in a league composed of other community colleges in eastern North Carolina and represented JCC well!
